

DATA SHEET

Dowel block

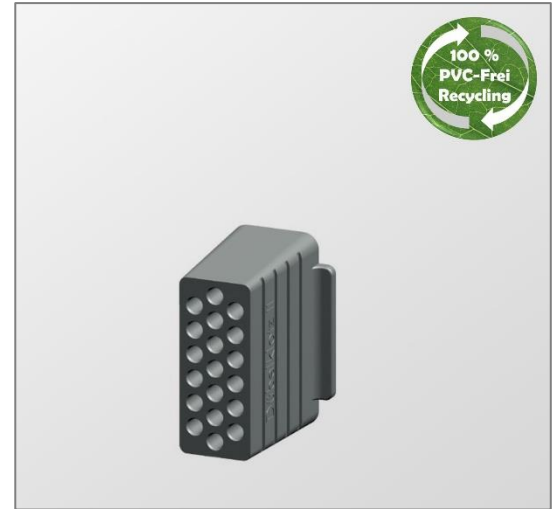

Material:

Polyethylen (PE), recycled

PVC-, CFC- and HFC-free

Product information:

Plastic dowels for fixing gutters, skirting boards, wall and ceiling cladding, windows, doors, stair railings, installations, lamps and much more

Dowel blocks are a particularly inexpensive solution and replace time-consuming subsequent drilling of dowel holes.

Packaging units and dimension available:

ITEM NUMBER	WIDTH in mm	LENGTH in mm	DEPTH in mm	BAG PU in piece	PALLET PU in piece
422.	20	48	38	250	10.000
